STATEMENT OF PURPOSE

Vision

We provide high quality education that makes a positive difference to the lives of our students, by: “Caring, Sharing and Learning Together”.

Mission Statement

We believe that a strong focus on the following creates the most positive difference to the lives of our students (i.e. helps us to achieve our Vision and Purpose)

- Creating a safe, tolerant and welcoming environment for all students
- Encouraging personnel to strive to be the best that they can be
- Developing the attributes of lifelong learning and lifelong caring
- Establishing a supportive and inclusive learning environment
- Refining lead management practices
- Creating an atmosphere of trust, respect and care

These were established as foundational beliefs when our school opened in 1994, and were confirmed in 2007 as still being the most relevant guides to facilitating the achievement of our vision and purpose.
